WOOF, HELLO!

# Thanks for downloading!

---

Hi, it's Leia! I'm SO excited you picked up a copy of Super Leia to the Rescue! and came looking for more. This pack is my way of saying thank you. Inside you'll find full-color versions of every coloring page in the book — perfect for matching your crayons, markers, or colored pencils to the real colors. Each page tells you exactly which page it matches in your book. You'll also meet the REAL me (yes, I'm a real dog!), get the answers to every puzzle in the book, and hear a little about the humans behind LogicManse. Happy coloring — and thank you for adventuring with me!
