# Free Printables

**For Grown-Ups**

Hi! These free pages go with your Kindergarten book. Print them as many times as you like!

## 1 Adventure Tracker

One paw for every page in the book. Color a paw each time a page is finished.

## 2 I Can Write My Name

Write your child's name lightly on the first line; they trace it, then try it alone.

## 3 Leia and Friends

A big coloring page of Leia, Ollie, Ruby and Bella, for a calm finish to any day.

## 4 Spare Certificate

The same certificate as the back of the book — handy for a brother or sister.

## Printing tips

- US Letter paper, Actual Size (100%), black and white is perfect.
- Crayons or washable markers work best on plain copy paper.
- No answers here, no pressure: these pages are for fun and practice.

GROWN-UP TIP: Keep these pages with the book. Questions or ideas? Write to info@logicmanse.ca.
